Haddonstone Garden Cremation Memorials

As the UK's leading manufacturer of fine cast stone garden ornaments, we recognise that sometimes people want to leave a more individual memorial to commemorate the passing of a loved one. That's why we have created a unique range of Garden Cremation Memorials as a tasteful alternative to the more traditional gravestones and grave markers that are available. Beautifully handmade to the highest quality by our highly skilled craftsmen, each Haddonstone Memorial is both an impressive ornament and a fitting and discreet place for a loved one's cremated remains.

Each design (except the Memorial Marker Block and Memorial Spring Plaque) incorporates a pedestal which can accommodate one or two Poly-Urns for your loved one's ashes (one is supplied with the Memorial). To personalise these memorials, an inscription panel is recess fixed into the pedestal. Memorials can be easily relocated at a future time if required. Upon receipt of your order, we will contact you within two working days to discuss your requirements for the inscription. Normally we can fit up to 120 characters into the inscription, although this is dependent on the size and style of the font used. Please be assured that the inscription will only be commenced once a draft copy of the text and layout has been signed and approved by you.

Haddonstone also has a comprehensive range of other conventional garden ornaments, bench seats, fountains, planters and obelisks, some of which are available personalised in memory of a loved one.
