

Garden Cremation Memorials

A tasteful and affordable option for commemorating a loved one

HADDONSTONE

Garden Cremation Memorials

Our beautiful range of Garden Cremation Memorials offers a tasteful and affordable alternative to traditional grave markers. They are an ideal choice for clients who wish to subtly honour their loved ones with a decorative garden ornament that can be relocated if required.

Each memorial incorporates a plinth which can accommodate one or two proprietary Poly-Urns (one is supplied as standard with each order), offering a discreet receptacle for cremated remains.

Handcrafted to order using the highest-quality cast stone, our Garden Cremation Memorials can be thoughtfully personalised to suit your client's individual wishes. We offer a bespoke inscription service and the option to customise further with memorial decorations, or a photograph.

The Haddonstone garden range also offers complementary garden ornaments including cast stone garden benches, water features and planters.

Our friendly and experienced team are available to discuss all of the available options, and they will assist you and your client to create the most fitting tribute to their loved one.

Perspex Plaque

Background colours available in gold, silver and black.

Inscription colours available in gold, silver, black and white.

We will require your client to approve a layout of their plaque design before manufacture.

Perspex Plaque inscription example:

Ceramic Photo Plaque (optional extra)

- Original or professionally printed photographs should be supplied as photocopies and home printed copies can result in lower quality reproductions.
- Digital or scanned images can also be used and should be emailed in JPEG format to nitaa@haddonstone.co.uk
- If there is more than one person in the image, please state which person is to be displayed on the plaque.
- Where possible, send a high-resolution, full-faced portrait image that is in focus.
- Write your client's name carefully in the bottom corner on the back of the photograph and include your details and the plaque shape required on a separate note.
- When posting photographs to us, we request that they are sent using a cardboard backed envelope to minimise damage.
- Post the photograph to **Nita Attwood, Haddonstone, The Forge House, Church Lane, East Haddon, Northampton NN6 8DB.**
- We return photographs sent to us by Royal Mail recorded delivery. Please note that we cannot take responsibility for any damage or loss that may occur.

Memorial Assembly Recommendations

The Standard Package for each Garden Cremation Memorial includes the Haddonstone Memorial Ornament and Pedestal (including base) and one Poly-Urn. The Memorial Vase and Pedestal (MEM300) is displayed below.

1. It is essential that the memorial base is sited on a firm and level area using a bedding mortar.

2. The pedestal can then be placed on top of the base. It is recommended that a bed of mortar is carefully applied between the base and the pedestal.

3. The Poly-Urn should be placed inside the pedestal's chamber.

4. Finally, the memorial ornament can be placed on top of the pedestal. It is again recommended that a bed of mortar is carefully applied between the pedestal and the ornament.

Bedding mortar instructions

Where indicated, use an 8 to 1 sand/cement bedding mortar. This will allow the joint to be 'broken' for relocation if required.
