About EverWith®

Here at EverWith®, we believe that everyone should have a way to carry a little piece of someone they love with them. Even when they have passed on. It was because of our passion, and dream to make this a reality, that our company, EverWith®, was born.

We are the UK's largest memorial jewellery company. We specialise in creating beautiful, bespoke keepsakes in memory of loved ones who have passed away. Our vision is to create timeless, unique, sentimental tributes to treasure always.

We are dedicated to incorporating thoughtful details and personal touches into everything we do. Also, to alleviate any worries you may have, we send regular updates detailing the progress of your jewellery. Every day, we strive to deliver a fantastic service for our customers and to create keepsake gifts that they will cherish for a lifetime.

Our main desire is that our jewellery brings some comfort and peace to our clients. We have received such lovely feedback from our valued customers. Some tell us that when they receive their special item, they cry tears of happiness. Others, of the comfort that they find having their loved one with them still.

We are excited that our company is growing so quickly... as is our product range, and our fantastic team! Our collection has come a long way since the business first began. We now offer over two hundred different products, including rings, pendants, bracelets, and many more. Our entire range of jewellery is made with quality 925 Sterling Silver or 9k Gold, and there is a lot of love and craftsmanship that go into every piece.

If you have any questions, or queries, no matter how small, please do not hesitate to get in touch. We are a friendly team who understand how personal and precious your jewellery will be. We are here every step of the way to make sure your order is perfectly unique, and exactly as you imagined.

"We've crafted jewellery pieces for tens of thousands of happy customers who have left us amazing, glowing reviews."

EverWith® offers an extensive choice of pendants, rings, bracelets, locket, cufflinks and earrings in a range of styles and designs to suit all tastes. Most of our memorial jewellery pieces are crafted from hallmarked 925 Sterling Silver. However, as even Sterling Silver can tarnish and discolour, each piece is coated with a Rhodium Plating that keeps the surface looking bright and shiny. We also offer our memorial jewellery designs in solid 9k Yellow, White or Rose Gold, and we also offer the option of adding some real diamond dust in with the ashes to give a subtle sparkle.

Our team of craftspeople respectfully blend a tiny amount of the ashes with the special resin in your chosen colour. Each of our exquisitely crafted pieces of jewellery contains one or more chambers where the resin containing the cremation ashes or hair are carefully added layer upon layer. There are many delicate stages to the process, and when finished, the resin has the appearance of a glossy stone containing the ashes suspended within like floating flakes. The final outer layer is extremely hard and durable to protect the resin and its precious contents.

We offer twelve different resin colours, Blue, Aqua, Green, Yellow, Orange, Red, Pink, Purple, Black, White, Transparent, and Violet. This extensive choice of colours allows clients to create a truly unique and individual piece of jewellery which reflects their own colour preferences or those of your loved one. As each piece is individually handcrafted there may be slight variations in the colour and finish of the resin.

We operate in a sterile environment where only one piece of jewellery is made at a time. Once received at our office, the ashes, order confirmation form and the jewellery piece are placed together in a sealed bag until needed by our jewellery maker. No ashes are discarded during the process and all unused ashes are returned to you along with your jewellery piece. We treat the ashes of your loved with the utmost care and dignity.

With every piece of jewellery that is made you are given a **Certificate of Authenticity**

Beautiful piece made for my mother. The packaging that we received the ring in was beautiful and someone had taken a lot of time to make sure the presentation was perfect. She loves the ring and now she can carry her loved ones around with her at all times, thank you.

Ladies Memorial Ashes Rings

EverWith® offers a selection of memorial jewellery rings for ladies

We have a great range of contemporary styles as well as classic designs. Some styles are chunky and robust, while others are delicate and dainty. Some are simple and stylish, others are ornate and lavish.

Each EverWith® memorial ring contains a small amount of cremation ashes suspended and visible in the special resin in the colour of your choice. Some designs have a simple line of resin, others a large amount which looks like a polished stone.

Engraving is available on the inside of certain rings, but not all rings can be engraved. Where possible, these rings show the maximum number of characters that can be engraved at an extra cost of £39.

*Not all of these sizes are stocked as standard and may have to be a special order. For the full specification / dimensions of each jewellery piece please refer to our website or contact our friendly customer service team. **We can make rings in sizes from G to Z3.

Glass Locket & Elements

EverWith® have a unique range of Glass Locket which you can pick your own elements to go inside.

Our range of glass lockets let you create your own totally unique cremation ash pendant. There are four locket styles, and each is hand-crafted of hallmarked 925 Sterling Silver which has a Rhodium plating to prevent tarnishing and scratching. There is also the option to specify 9k Gold.

We offer a selection of thirteen different 'Elements' of varying forms and available in two sizes. Within each locket, you can locate one or more 'Elements' containing your loved ones ashes set in resin. Each element is tiny and holds a very small amount of ashes set into the resin colour of your choice. Depending on the size of the pendant, and the size of 'Element' you choose, you can locate several different 'Elements' within the locket. Additionally, you can add to your locket or change its content as you wish. These glass lockets are rather like a charm bracelet. You can add to them, remove from them, or change which ones you display.

Engraving is not available on glass lockets or elements.

For the full specification / dimensions of each jewellery piece please refer to our website or contact our friendly customer service team.

Which Colour Resin Are You Going To Choose?

Choosing the perfect resin colour to create your EverWith® memorial jewellery can be tricky. Firstly, because all of the colours are wonderful

Secondly, because they all look awesome when combined with cremation ashes. And, finally, because each one looks stunning set into the piece of jewellery. As a result, it can be hard to decide.

Maybe some theories about colours will help you to choose.

We have many different styles and designs of memorial jewellery pendants to choose from, and with a choice of twelve different resin colours you can create a very special piece of jewellery exactly how you like it. Every piece is beautifully crafted and has a fine finish.

Each EverWith® piece has a mount where the coloured resin containing a small amount of the cremation ashes is carefully entered. The ashes are held safe and suspended within the resin, and the end result is truly stunning.

What Do The Different Colours Represent?

BLUE embodies loyalty, stability, trust, and confidence. Additionally, it brings calmness and relaxation and reduces stress.

AQUA represents tranquillity, healing, softness, and understanding. It also brings emotional balance and stability.

GREEN symbolises harmony, safety, hope, and endurance. It restores depleted energy and balances the head with the heart.

YELLOW indicates energy, happiness, warmth, and intellect. Furthermore, it is illuminating and uplifting.

ORANGE represents creativity, determination, stimulation, and success. It gives emotional strength and support during times of grief.

RED symbolises strength, power, passion, and love. It is energising and builds confidence.

PINK signifies romance, friendship, femininity, and passivity. It is nurturing and understanding.

PURPLE embodies luxury, wisdom, creativity, and magic. It lets us communicate with our innermost thoughts.

VIOLET suggests dignity, devotion, peace, and mystery. It is spiritually calming and represents the future and dreams.

BLACK represents elegance, power, mystery, and grief. It protects and hides us from emotional stress.

WHITE symbolises purity, safety, innocence and goodness. It is reflective and offers a new beginning.

TRANSPARENT is for those who want to see things just as they are.

How to choose your resin colour

Certainly, knowing what each colour represents may help you to decide. Likewise, knowing the character of the deceased may influence your choice. Alternatively, you can pick a colour that the departed was fond of. Most important though, is to choose a shade of resin that you really like. Pick a colour which looks good on you and which you feel comfortable with.
